DIRECTOR SPEAKS AT WOMAN'S CLUB

Mr. George Carens, eastern regional director of Associated Industries of Massachusetts, was the guest speaker at the meeting of the Mattapoissett Woman's Club last Thursday afternoon in the Congregational Church parish hall.

Mr. Carens spoke on industry in Mass., stating that this State is the 10th ranking industrial State and manufacturing is its only resource.

He also said that business could be improved through legislation, and that a meaningful relationship be had between the businessmen and the legislator.

Mr. Carens also spoke on several bills before the State legislature now, and urged the women to take a more active part in politics and voice their opinions, especially in State government, by writing to their State Senator and Congressman.

The program was arranged by the Legislative Department, Mrs. Leonard Burnham, chairman. Mr. Carens of Wellesley was introduced by Mrs. Walter Clark, program chairman.

Mrs. Ross B. Hopkins presided at the business meeting. The invocation was given by Miss Edith Peterson.

Mrs. Judah Humphrey, a member of the club, has been named first place winner for her essay, "Typhoid Mystery - 1906", in the State Federation's essay contest.

The sum of \$25.00 will be donated to the Mattapoissett Athletic and Sports Committee.

The Music Group will have a pot-luck lunch-

Regional High School. The locale of the story was London, England and it was an example of the British flair for restrained murder in polite society. Since the total goal of the plot was the buildup of suspense, the subtle moves of this dramatic chess game required much of the actors and actresses. They had to maintain the interest, in the absence of action, through their portrayals of the various characters. Mr. Harold Gay, who played the role of Mr. Fenn, was required to run the full course from diffident professor, to bold plotter, through bungling murderer to crafty suicide. In the course of this orbit he was the core of the story and almost continually in action on stage. It was a demanding part and very well done. Running tandem to Mr. Gay was John Blair playing his co-plotter as Martin, another difficult role. Martin, adopted son of the Nedlows, eagerly joins Fenn in the chilling plan of murdering his father, John Nedlow, and in the bargain to murder the father's

Mrs. Nedlow was deftly done by Ellen Grant who played the most nearly normal character in the play. Avis Clay, in a cockney mother role, provided a bright spot in the production with a comic touch and a great accent. The maid played by Lois Fagan was a nicely done job, as was the part of the secretary, played by Barbara Charpentiers.

Dear friends,

Often we are asked, "Whom shall we see about the preparation of the grave?" "Do you arrange for the minister or priest?" "Can you notify the musicians?"

All these details are a part of our service. The family is relieved entirely of all responsibility in connection with funeral arrangements. We know this means much to those whom we serve. All desired preparations are made without causing the family one moment's worry.

Respectfully,

Carl C. Cornwell

CONGRESSMAN KEITH ANNOUNCES ACADEMY EXAMS

Congressman Hastings Keith (R-Mass.) today announced that Civil Service examinations for all service academy candidates will be held on Monday, July 9, 1962. Exams will be given in Boston, Brockton, Hyannis, Nantucket and New Bedford.

The tests are given as a guide in helping the Congressman select those most qualified for entrance into the military academies.

In 1963, Congressman Keith will have one Principal appointment to the U.S. Military Academy, one Principal appointment to the U.S. Naval Academy, 11 nominations for one appointment to the U.S. Air Force Academy, and 10 nominations to the U.S. Merchant Marine Academy (these nominees will have to compete for the State's quota of 9 vacancies).

Congressman Keith requested that interested young men apply directly to him at Room 1317, New House Office Bldg. Washington 25, D.C. prior to June 1, 1962. Applicants must be

not less than 17 and must not have reached the age of 22 by July 1, 1963, the academy entrance date.

Candidates must be from the new 12th Congressional District which includes the counties of Barnstable, Dukes and Nantucket; Plymouth County with the exception of Brockton; and in Bristol County the City of New Bedford and the Towns of Acushnet, Dartmouth, Fairhaven and Westport; also the Town of Cohasset in Norfolk County.

JUNENILE GRANGE SUPPER

A very successful supper was held by the Mattapoisett Juvenile Grange members. The sum of \$78.26 was raised which will be sent to the State Grange Arthritis Fund. A 100% member participation of members worked on the supper. The table decorations were bouquets of forsythia arranged by Mrs. James Harris. Mrs. Edmund Silva assisted Mrs. Helmut Heuburger Jr, chairman. After the supper, the workers had a party in honor of Joanne Silva's ninth birthday. Ice cream, bunny cake and soda were served.

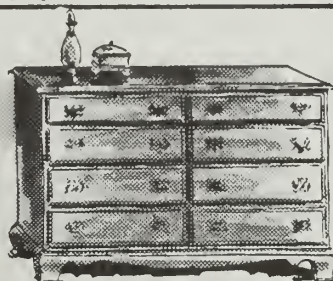

HIGHWAY RESEARCH IN THE LUNCH

Americans must soon stop crossing their fingers and start opening their wallets if they expect to ransom some of the 38,000 lives lost annually on our highways, according to the Automobile Legal Association.

"The fact that research pays is easily illustrated in the fact that less than one out of every five hundred million passenger miles in the air is marred by death, a 96% drop in the airline death rate. It's the same old story...you get what you pay for."
